Come to think of it, she called me a while back. I wonder what's going on.
...But why.. me...?
.....
I should tell her, "I'm sorry but we shouldn't talk."
OY! CHA INSUNG!! ARE YOU AVOIDING ME?!!
?!!
This is Eunseo, right?
She's already drunk!
You, you can't do that.. I said, you can't do that!
.....?
I SAID YOU CAN'T DO THAT!!

When friends are exhausted, they help eachother out, you call yourself a friend?

Are you even a friend.

Hey, you should go do something about her.. It's so early too..

Me?

I've been really tired these days, you know that?

.....

Eunseo, you're really drunk.. Let's hang up..

You liked me.. I'm nothing now since you went and got yourself a girlfriend?

You, are you really saying that right now..?!

Ah.. Hello?

Do you happen to be a student at SU (S University)? She's been like this since we opened the shop.

..Yes

.....

I'm a bit worried about her. She's already very drunk. Do you think you could come and pick her up? We're right by your school.

.....

Yes sir.. I'll come get her.

We have some time until we have to meet.
I should call Jaecob up and get her home quick.

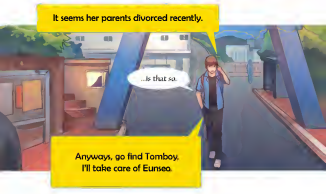
Eunseo got really drunk and was calling me...
What?!
She's so drunk that she can't even move on her own. The barman asked me to go and pick her up.
...I thought something was off about Eunseo lately, so I asked her classmates about it.



It seems her parents divorced recently.
...Is that so.
Anyways, go find Tomboy. I'll take care of Eunseo.

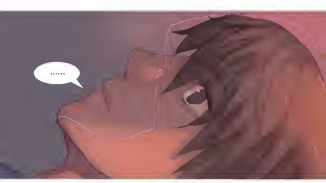
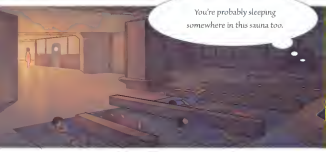
I regret being so bad to her and being so reckless.

If I had any sense, I would've just ended it right there.





Back then I acted solely on my feelings of loving her.

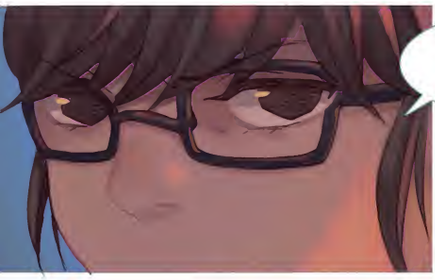
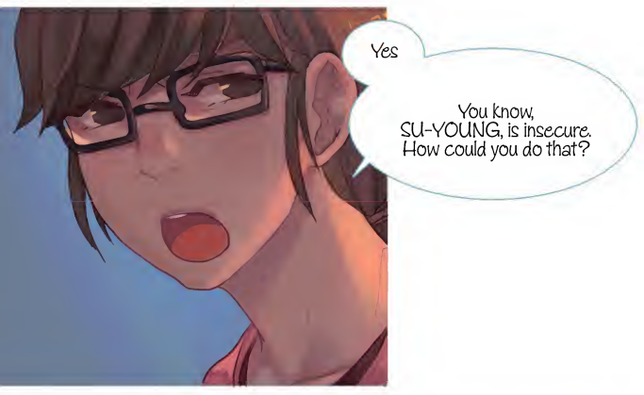
He's her friend?

Are those all beers?

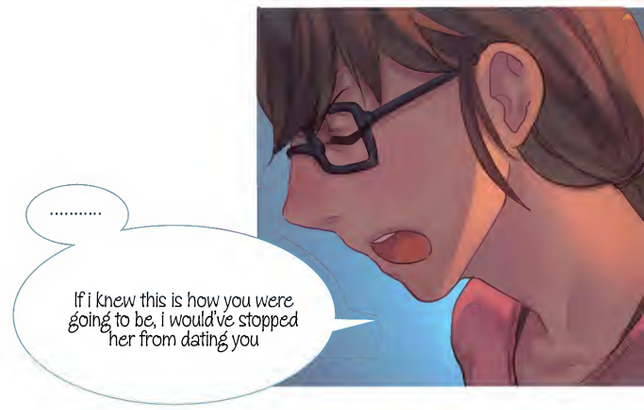
Even though it was a misunderstanding



SUNBAE, You messed up.



Yes
You know, SU-YOUNG, is insecure. How could you do that?



.....
If i knew this is how you were going to be, i would've stopped her from dating you

Hey, that's taking it too far.

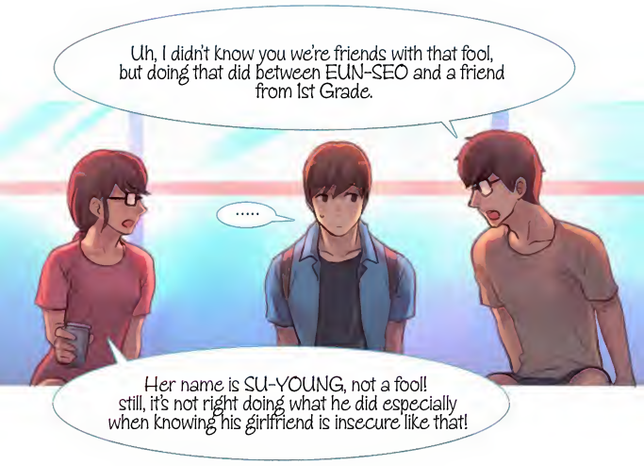
But, that's how it is right now.



Uh, I didn't know you we're friends with that fool, but doing that did between EUN-SEO and a friend from 1st Grade.

Her name is SU-YOUNG, not a fool! still, it's not right doing what he did especially when knowing his girlfriend is insecure like that!

I'm just saying, couldn't you give him some slack.
.....
Not at all!

Fool... no, aren't you protecting her too much just because she's your friend?
No~! I'm just looking at things rationally.

Uh ...

I'm the one who made this mistake, so I'll try to make right.
